Subject: Surrender of the International Section 214 Authorization of iKappa LLC

Dear Secretary Dortch,

This is a cover letter for the electronic filing of iKappa LLC to surrender its International Section 214 Authorization ITC-214-20090114-00016, which was granted by the Commission on May 11, 2009. The surrender of the International Section 214 Authorization by iKappa LLC is to be effective immediately.

iKappa LLC operated as an international prepaid calling card provider but it has not had any sales or customers since December 31, 2015. By then, all previously sold prepaid calling cards reached their natural expiration dates that were listed on the cards. Since December 31, 2015, iKappa LLC has not offered any products or services.

Regarding 47 C.F.R. 63.19 Special procedures for discontinuances of international services, iKappa LLC does not have any customers and as a result, there are no affected customers to be notified. This action does not harm the public interest since iKappa LLC was a non-dominant carrier that never owned any telephone lines or facilities and there are no disruptions to the market expected due to this action.

For questions or concerns relating to this matter, please contact iKappa LLC's consultant, Alonzo Beyene who can be reached at Telephone: (786) 505-1862 and via email alonzo@iacadvice.com

X 

Alexander Berkovsky
