**Re: Surrender of International Section 214 Authorization of
WhiteSky Communications, LLC.; ITC-214-20160317-00118**

Dear Ms. Dortch:

WhiteSky Communications, LLC (“WhiteSky”) hereby surrenders its International Section 214 Authorization granted in IB File No. ITC-214-20160317-00118, effective as of the date of this letter.

WhiteSky’s international communications services are limited to the provision of interconnected Voice over Internet Protocol (“VoIP”) services. Accordingly, WhiteSky does not provide any international telecommunications services that would require Section 214 authority and has no U.S. customers to which the customer notification requirements of Section 63.19(a)(1)-(2) of the rules of the Federal Communications Commission would apply.

Although WhiteSky is surrendering its International 214 Authorization, it is not discontinuing its international interconnected VoIP service.

Please do not hesitate to contact the undersigned with any questions regarding this surrender.

Respectfully Submitted,
