Re: BFI Licenses, LLC - Surrender of Satellite Earth Station License,
Call Sign E2941, FCC File No. SES-RWL-20110217-00177

Dear Ms. Dortch:

BFI Licenses, LLC, the licensee of the C-band/Ku-band transmit/receive satellite Earth station authorized under Call Sign E2941, Burbank, California, submits this letter to inform the Commission that the company no longer operates this facility. All of the equipment previously associated with the license has been removed from the site. Accordingly, the above-referenced license is hereby surrendered for cancellation.

Please do not hesitate to contact the company's FCC counsel, David Keir of Lerman Senter PLLC at 202-416-6742 or dkeir@lermansenter.com, if there are any questions concerning this matter.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Jay LaPrise', is written over a horizontal line. The signature is stylized and cursive.
