To whom it may concern.

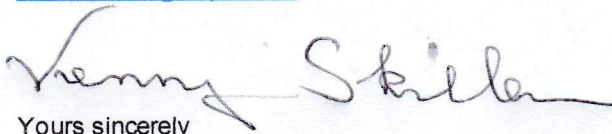

Arqiva have a registered FCC licence for an Earth Station that is no longer in active. Arqiva therefore request the cancellation of the licence; details of which are provided below.

1. FCC Registration – FRN0015947401
2. Call letters of the Earth Station – E980183.
3. Arqiva are surrendering this licence, due to the closure of the Teleport at 2025 M Street NW Washington DC 20037.
4. This cancellation shall take effect immediately, from today Feb 25th 2021.

Please confirm the cancellation to return email address and registered mail address.
