Re: Request to Surrender Earth Station Registration – Call Sign E191040

Dear Ms. Dortch:

Consistent with the International Bureau’s (“Bureau”) July 23 Public Notice (“Public Notice”) regarding inactive C-Band incumbent earth station antennas,¹ Altice USA, Inc. (“Altice”) files this letter to surrender the earth station listed below. This earth station is no longer operational and will not be restored to service.

Applicant Name	Call Sign and File Number	Site Street	Site City	Site County	Site State
Classic Cable of Oklahoma, Inc.	E191040 IBFS File No. SES-REG-20181016-04673	900 SE Lynn Lane	Idabel	McCurtain	OK

¹ See *International Bureau Identifies Inactive C-Band Incumbent Earth Station Antennas*, Public Notice, IB Docket No. 20-205, DA 21-893, at 3 (rel. July 23, 2021) (requiring earth station operators identified in the attached Appendix to remove those antennas from IBFS that are no longer operational or affirm in ECFS that those antennas are still operational).
